Payment Agreement for NC State Tuition and Fees under the GI Bill

The University requires payment in full prior to the beginning of each semester; however, students approved to attend NC State under the GI Bill are provided a monthly stipend, of which a portion is intended as payment of educational and/or housing costs. GI Bill students may make up to four (4) monthly payments of current semester charges under the following terms and conditions:

- The Student provides verification of benefit eligibility to the NC State University VA Certification Officer.
- The Student shall make payments towards current semester charges coinciding with receipt of their benefit payments for the duration of that semester. You may make up to 4 payments per term, typically Sept/Oct/Nov/Dec for Fall terms and Jan/Feb/Mar/Apr for Spring terms.
- Current semester charges shall be paid in full no later than the last day of exams for that semester.
  - A student’s upcoming semester schedule may be cancelled if all current and/or prior semester charges are not paid in full by this date.
  - If a student’s GI bill payments are delayed, the student will need to contact the VA Regional Processing Office. The VA office must provide documentation, or official notification of the delay, to the University Cashier’s Office or University VA Certification Officer in the Registration Office.
- Students on the GI bill may be cleared to register for an upcoming semester only if they have made payments in accordance with this agreement and do not have outstanding balances for items other than current semester charges.
- The VA will pay NC State directly for the tuition and fee charges of students attending under Chapter 33 (Post 9/11) up to the approved amounts. Any charges not covered by this plan shall be paid by the student and in accordance with the terms of this agreement.
- Outstanding amounts for prior semester charges are subject to Interest charges in accordance with the requirements of General Statute 147-86.23.
- If the student becomes ineligible for benefits under the GI Bill, payment shall be made in accordance with standard university policy.

I understand and agree to the terms and conditions above:
