YOUR STUDENT ACCOUNT

eBILL – NC State does not send paper billing statements to currently enrolled students. Electronic billing statements are posted to the student’s account on MyPack Portal. An eBILL notification will be delivered to the student’s email address and will have a sender name of e_bill@ncsu.edu.

Students must grant Parental Access to their account before the parent can view or pay the bill online. Students enter their Parent’s information via MyPack Portal under the Student Self Service tab, select “Campus Personal Information” and “Parent/Guardian Access”. Parents then access the student’s account, via the Portal, using the Parent/Guardian access link.

When a new bill posts, parents who have been granted access will receive an email notification from e_bill@ncsu.edu at the same time as their student. Please be sure to add this address to your Trusted Sender list if you use a spam blocker.

For additional information about eBILL see: http://www.fis.ncsu.edu/cashier/billing/

ePAY – The Cashier’s Office does not accept payments in the Harris Hall Office. Payments may be mailed to our lockbox, however, we recommend using the online eCHECK to pay the account. You can pay with no fee for drafts (ACH) from a checking or savings account. Credit/debit/check cards can be used for a 2% fee. (MasterCard/ Discover/American Express)

Online payments are posted immediately to your student's account.

eREFUND - By using direct deposit, students can have their Financial Aid or other student account refunds deposited directly into the checking account of their choice. This saves an enormous amount of time and frustration – no lost checks! Students sign up online via MyPack Portal using the DIRECT DEPOSIT button. Please allow 10 business days from the date you sign up until refunds can be processed via Direct Deposit.

IMPORTANT NOTE!
Failure to return either full payment or complete financial aid information by the due date may result in the cancellation of a student’s registration. This action causes the potential loss of necessary classes and assessment of late registration fees.

TUITION AND REQUIRED FEES
Current and prior term Tuition and Fee Rates are located at http://www.fis.ncsu.edu/cashier/Tuition.
Billing statements reflects only the charges and credits posted on their account as of the billing date. Any new charges, credits, or payments posted after the billing date will be included on the next billing statement. Current account balances can be checked by logging into MyPack Portal and viewing the Account Summary.

Students registering during a Late Registration period are required to pay at the time of registration and may be subject to a Late Registration Fee. Please be sure to read the Late Registration payment policy available at http://www.fis.ncsu.edu/cashier/news/late_registration.asp as a payment will be due before a billing statement is posted.

Parental Access to Student Account Information
The federal law called the Family Educational Rights and Privacy Act (FERPA) requires that a student’s financial records be kept private and confidential. A student must give written consent before the information contained in these records may be released or discussed with anyone except the student.

If you wish for the University Cashier’s Office staff to discuss your student’s account with you, your student must complete the web-based consent form available through the MyPack Portal, under the Student Self Service tab, “Campus Personal Information” and “Parent/Guardian Access”.

Points to Remember
Student Health Insurance Requirement: All campuses in the UNC system have a student health insurance plan. Degree-seeking students (1/2 time or greater) are required to purchase the University-sponsored plan unless they show evidence of an existing creditable health insurance policy and complete the online waiver. Students must complete the waiver each term or they will be billed the current premium each semester on their Student Account. Additional information about the benefits and waiver process is available from Student Health at http://www.ncsu.edu/student_health/index.html.

Please review your student’s bill closely. Some charges, such as dining, housing, bookstore or added classes, may not post to their account until after Financial Aid refunds have been issued. Students will need to use any refund to pay these charges once they appear on their account. Students with outstanding charges may not be able to register for an upcoming semester.

Health Service, Library and Parking violation charges that are not paid at the time of service/issuance are transferred to the student’s account.

Accounts should be reviewed monthly for new charges and credits.

Adding Classes:
Upon adding course work that results in an increased fee, students will be billed during the next Cashier’s Office billing cycle.

Dropping Classes / Reduction in hours
The last day to drop a course or reduce hours with a tuition adjustment for a Fall or Spring semester is typically the 10th day of the semester or the 3rd day of a Summer session. See the Registration Calendar for each term’s specific date.

Withdrawals / Dropping all classes:
Dropping all courses, on or after the first day of classes, constitutes withdrawing from the University. Students who drop all courses without completing an Official Withdrawal through Registration and Records may be held liable for charges on their account until they have been officially withdrawn.

NC State University has a pro-rated withdrawal schedule that is published prior to the beginning of each semester and is available on our website.

An Administrative charge of 5% of the total tuition and fees, not to exceed $100, will be charged for all withdrawals.

If a student decides not to attend, they should notify Registration and Records, in writing, prior to the first day of that semester.
